

## View from the top

## View from the bottom

1. Decorate the boxes (except the bottoms).
2. Cut a slit in the top of the top box wider than a card
3. On the bottom of box A, cut a hole just smaller than the width of the box.
4. On the top of box B, cut a hole the same size as the one you cut in the bottom of box A.
5. On the bottom of box B, cut a hold just smaller than the width of the box.
6. On the top of box C, cut a hole the same size as the one you cut in the bottom of box B.
7. Glue the bottom of box A to the top of box B. Make sure the holes line up.
8. Glue the bottom of box B to the top of box C. Make sure the holes line up.
9. Do not put a topper or use pedestals. This will become one complete hollow box.
